**Sub: Information under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sir/Madam,

Consequent upon accidental leakage of certain liquid chemicals in one of the Acid Chloride Plants of the Company at Village: Ekalbara, Taluka: Padra, District: Vadodara, Gujarat at about 9.45 p.m. on 8<sup>th</sup> May, 2019, five employees of the Company working in the said plant sustained minor to severe burn injuries. Two of them with minor burn injuries have been discharged after treatment without any significant adverse impact on their health. The remaining three employees with differing degrees of burns are currently undergoing medical treatment in a Multispecialty Hospital in Vadodara under the care of a highly competent team of medical specialists.

Upon receipt of notices from the Factory Inspector and the Gujarat Pollution Control Board, operations in all the plants stand suspended, pending review of safety measures in them, resulting in production loss until restoration of operations.

Please take the above information on your record.

Thanking you,

Yours truly,  
For Transpek Industry Limited
